## Better sounding analogue!

Accu Box S2 Chrome is a clean accu power supply especially for phono products. It has an incredible synergy with all Phono Boxes. Using Accu Box S2 Chrome on any of our recommended products, results in a more homogeneous and spacious sound with better separation and imaging. The sound will come across as more cleaned up overall, giving you a relaxed listening experience with mind numbing sonics. Accu Box S2 Chrome uses five cells or rechargeable Li-Ion batteries with a capacity of 2.5Ah. For protection of the batteries Accu Box S2 Chrome comes with over-charge, over-dischar-

ge and over-current protections, to ensure the maximum life-span of our product. Furthermore Accu Box S2 Chrome also offers a 5V USB A output, for other products, such as DACs.

The polished chrome surface outshines every competitor in this price segment and offers undeniable aesthetics. Accu Box S2 Chrome is the perfect partner for the Pre Box S2 Digital & Stream Box S2 Ultra Chrome Set.

The perfect partner for the S2 Chrome Set to ensure a clean power supply
